

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

ANALYSING
CANDIGATES
OF LOKSABHA
ELECTIONS IN
2019

I Complete
the project
with very
good manner

It is waste of
time to your
team

Do the
project
improve the
economy of
india

Are you
improve the
loksabha
elections.?

How my
project is
best from
others ?

This project
gives you
accurate
number of
votes

This project is
helps to
analysing
loksabha
elections 2019

All the elections
development in
the country is
possible only in
the country

This project
give the
detalis of
loksabha
elections 2019

I was expect
the more about
analysing
loksabha
electoins 2019

What are
special
significance
of the project

I think this
elections will be
possible to get
more votes
compare to other
elections .

I feel this
project is
improve the fair
and free
eletions of india

I feels my
project is
very usefull
for eletions
analysing

I feel this is
project give a
clear idea to
improve the
election

I feel do this
project
improve the
loksabha
elections

I filter the
suitable data
from this
project

I drawthe
how chart
for my
project

I include all
ideas in my
team
members

I find the
relevent
data source

I insight the
data with my
team
members

I collect the
relevent data
from relevent
data source

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
